

§ 126.611 What is the process for such an appeal?

(a) *Notice of appeal.* When the contracting officer rejects a recommendation by SBA's Procurement Center Representative to make a requirement available for award as a HUBZone contract, he or she must notify the Procurement Center Representative as soon as practicable. If the Administrator intends to appeal the decision, SBA must notify the contracting officer no later than five business days after receiving notice of the contracting officer's decision.

(b) *Suspension of action.* Upon receipt of notice of SBA's intent to appeal, the contracting officer must suspend further action regarding the procurement until the head of the contracting activity issues a written decision on the appeal, unless the head of the contracting activity makes a written determination that urgent and compelling circumstances which significantly affect the interests of the United States compel award of the contract.

(c) *Deadline for appeal.* Within 15 business days of SBA's notification to the contracting officer, SBA must file its formal appeal with the head of the contracting activity or that agency may consider the appeal withdrawn.

(d) *Decision.* The contracting activity must specify in writing the reasons for a denial of an appeal brought under this section.

§ 126.612 When may a contracting officer award sole source contracts to a qualified HUBZone SBC?

A contracting officer may award a sole source contract to a qualified HUBZone SBC only when the contracting officer determines that:

(a) None of the provisions of §§ 126.605 or 126.607 apply;

(b) The anticipated award price of the contract, including options, will not exceed:

(1) \$5,000,000 for a requirement within the SIC codes for manufacturing; or

(2) \$3,000,000 for a requirement within all other SIC codes;

(c) Two or more qualified HUBZone SBCs are not likely to submit offers;

(d) A qualified HUBZone SBC is a responsible contractor able to perform the contract; and

(e) Contract award can be made at a fair and reasonable price.

§ 126.613 How does a price evaluation preference affect the bid of a qualified HUBZone SBC in full and open competition?

Where a contracting officer will award a contract on the basis of full and open competition, the contracting officer must deem the price offered by a qualified HUBZone SBC to be lower than the price offered by another offeror (other than another small business concern) if the price offered by the qualified HUBZone SBC is not more than 10 percent higher than the price offered by the otherwise lowest, responsive, and responsible offeror.

Example: In a full and open competition, a qualified HUBZone SBC submits an offer of \$98; another small business concern submits an offer of \$100; and a large business submits an offer of \$93. The lowest, responsive, responsible offeror would be the large business. However, the contracting officer must apply the HUBZone price evaluation preference. If the qualified HUBZone SBC's offer is not more than 10 percent higher than the large business's offer, the contracting officer must deem the qualified HUBZone SBC's price as lower than the price of the large business. In this example, the qualified HUBZone SBC's price is not more than 10 percent higher than the large business's price and, consequently, the qualified HUBZone SBC displaces the large business as the lowest, responsive, and responsible offeror. If the HUBZone SBC offer were \$101, the award would go to the large business at \$93. If the HUBZone SBC will not benefit from the preference, the preference is not applied to change an offer.

§ 126.614 How does a contracting officer treat a concern that is both a qualified HUBZone SBC and an SDB in a full and open competition?

A concern that is both a qualified HUBZone SBC and an SDB must receive the benefit of both the HUBZone price evaluation preference described in § 126.614 and the SDB price evaluation preference described in 10 U.S.C. 2323 and the Federal Acquisition Streamlining Act, section 7102(a)(1)(B), Public Law 103-355, in a full and open competition.

§ 126.615 May a large business participate on a HUBZone contract?

A large business may not participate as a prime contractor on a HUBZone
